

ESCAPE CODE MYSTERIES

Rocio, Felipe, Berna, Juliette

Yellow team

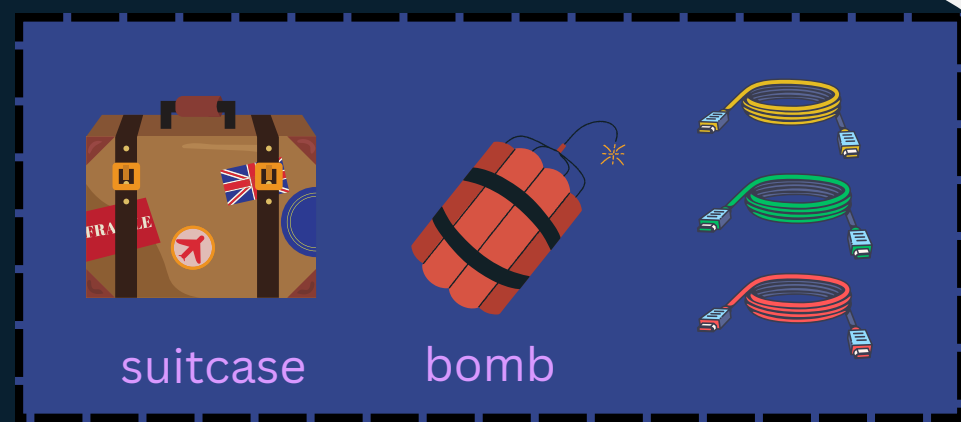

DAPT Oct 2023

TECHNICALITIES

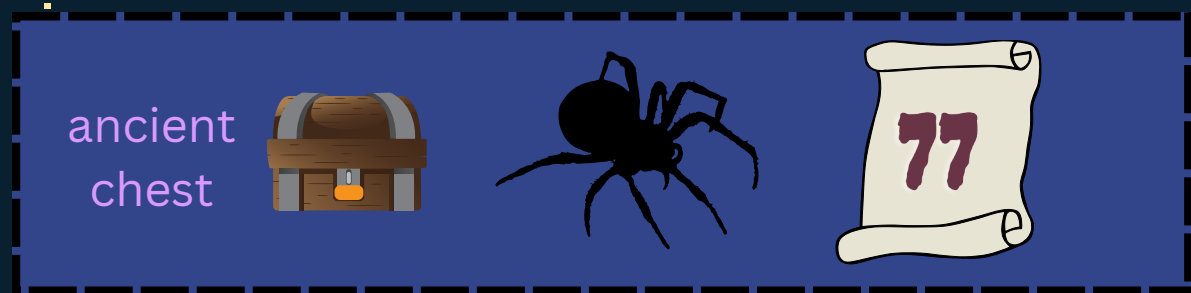

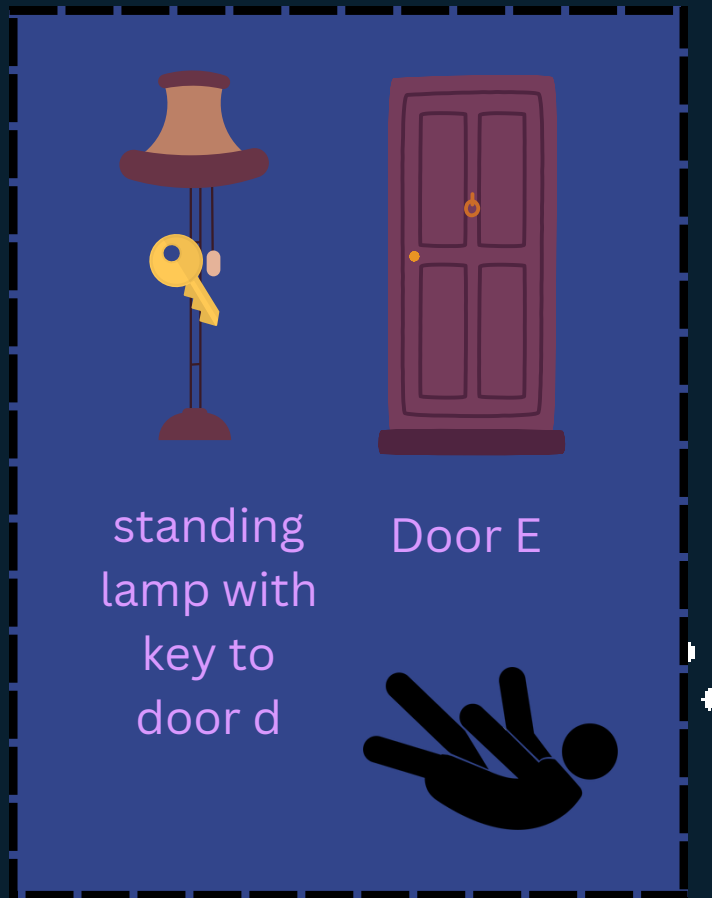

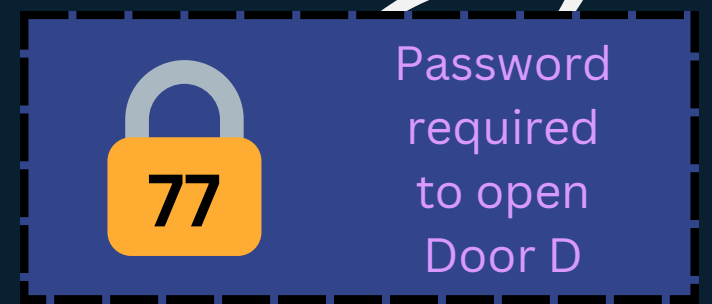

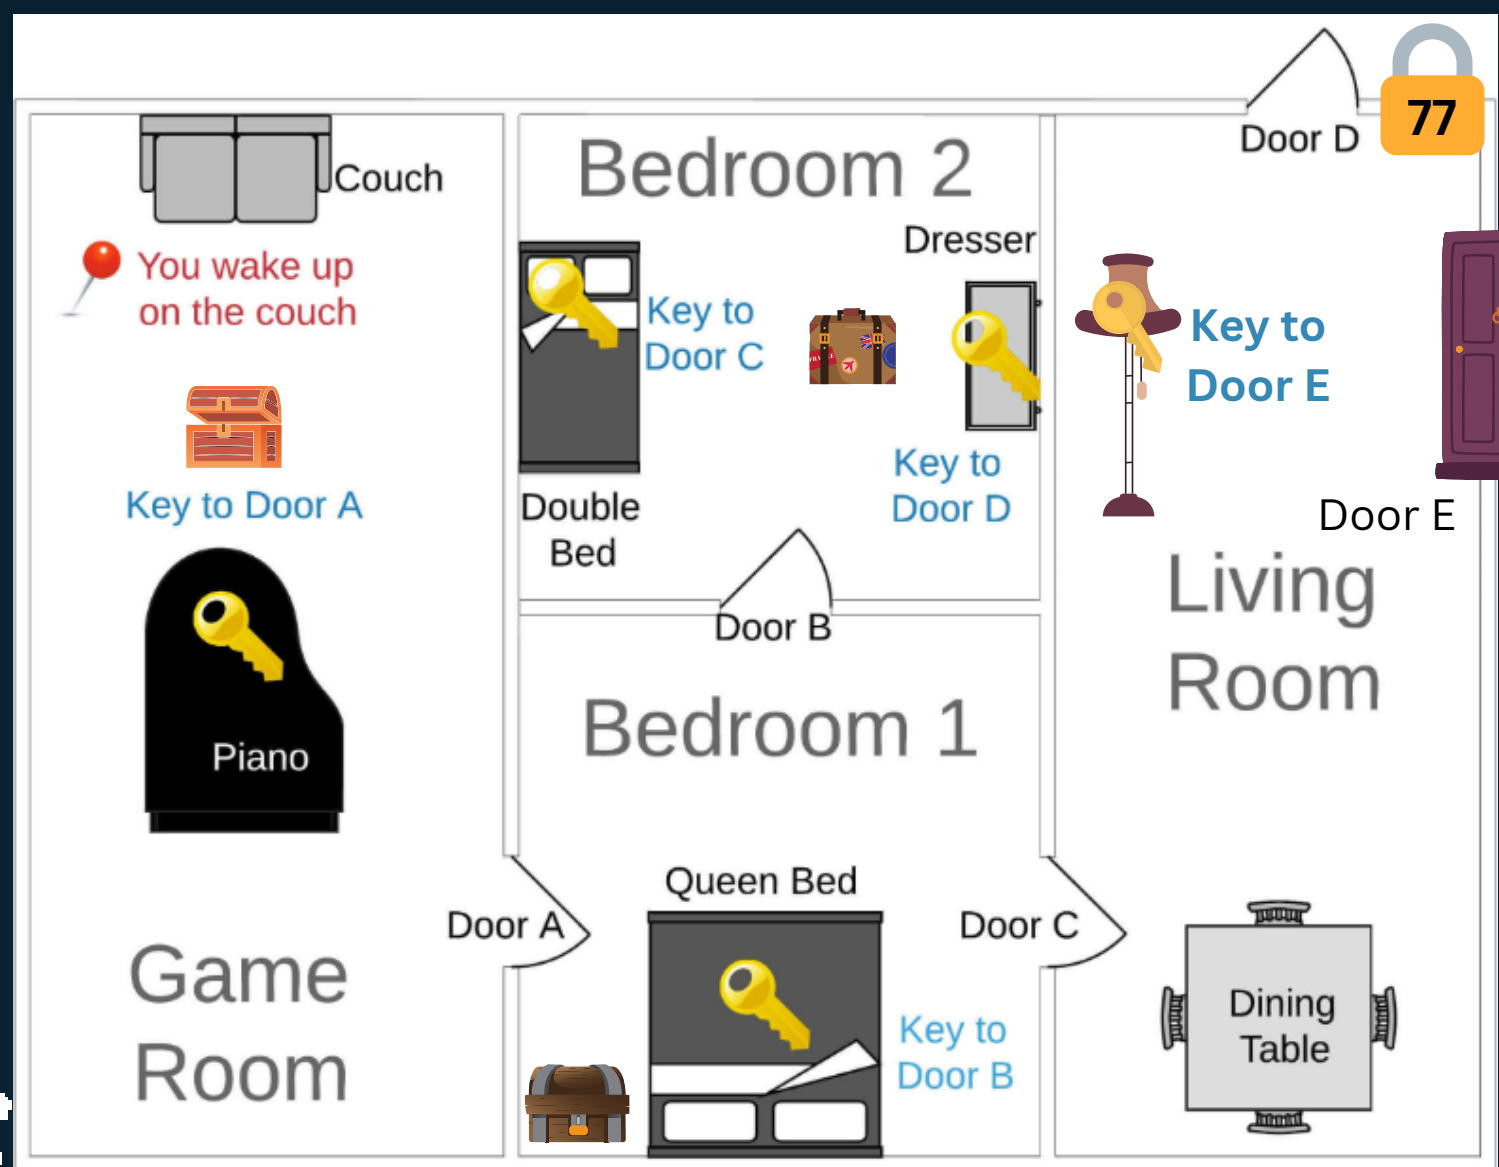

- **Correctly declare the variables and make the code works.**
- **Include more improvements by implementing new functions in the code.**
- **Find a way to restart the game.**

GAME PLAN

Hints when inspecting the couch.

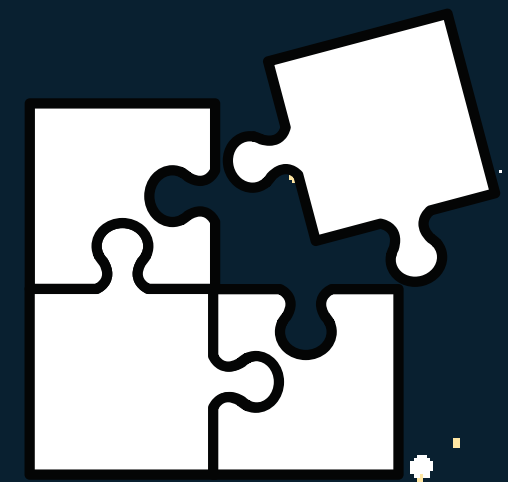

Future Improvements

Engaging background music to completely immerse you in the game.

Experience incorporating timer to encourage you to escape with maximum speed.

Adding more rooms, items and trap to make the game more challenging.

LET'S CODE!
